

# 2CV Enthusiasts RAID 2024 Australia

## The Desert RAID

### PARTICIPANT REGISTRATION

An Australian 2CV Raid is an adventure trip, in a Citroën 2CV, and covers some of the most spectacular parts of Australia. It is not a rally or a race. It is a combination of Citroën 2CV lovers enjoying Australia's unique country and scenery, together with the challenge to explore remote areas. This makes Raid Australia a unique and very special touring experience. International friendships are formed, and as previous Raids have proven, raiding Australia is an "unforgettable trip of a lifetime".

**By registering for this camping trip across Australia I acknowledge the following:**

1. I take full responsibility to ensure my vehicle and its occupants are suitably prepared for travel in Outback Australia.
2. Raid Australia 2024 is organised by volunteers, who do not accept any liability.
